

14th International ISAAC Congress
University of São Paulo, Campus Ribeirão Preto (Brazil)
July 17-21, 2023

First Announcement

The ISAAC board, the Local Organizing Committee and the Department of Computing and Mathematics at the University of São Paulo, Campus Ribeirão Preto (Brazil), are pleased to invite you to the 14th International ISAAC Congress to be held from July 17 to July 21, 2023. It is expected to be an in-person meeting. For further information please refer to the conference webpage: <https://dcm.ffclrp.usp.br/isaac/>

The 14th International ISAAC congress continues the successful series of meetings previously held in Delaware, USA (1997), Fukuoka, Japan (1999), Berlin, Germany (2001), Toronto, Canada (2003), Catania, Italy (2005), Ankara, Turkey (2007), London, UK (2009), Moscow, Russia (2011), Krakow, Poland (2013), Macao, China (2015), Växjö, Sweden (2017), Aveiro, Portugal (2019), Ghent, Belgium (2021).

Confirmed plenary speakers

The list of confirmed plenary speakers includes:

Rafael Benguria, Pontificia Universidad Católica de Chile, Chile
José A. Carrillo, University of Oxford, UK
Loukas Grafakos, University of Missouri, USA
Irena Lasiecka, University of Virginia, USA
Marius Mantoiu, Universidad de Chile, Chile
Anna Laura Mazzucato, Penn State University, USA
Monica Musso, University of Bath, UK
Gustavo Ponce, University of California, Santa Barbara, USA
Marcelo Viana, IMPA, Brazil

Call for Sessions

Besides the sessions of the Special Interest Groups, the 14th ISAAC Congress will also host a number of sessions on different topics. Proposals for sessions should be sent to the local organizing committee via email (14thisaac_congress@usp.br).

Proposals should include:

- session title;
- organizers (names, affiliations, email addresses) with one organizer designated as the contact person;
- short description of the topic;
- expected number of participants.

Deadline for session proposals: November 30, 2022

ISAAC Award

The ISAAC Award aims to distinguish young scientists of age below 40 at the time of the congress for particular merits in Analysis, its Applications and Computation. The list of previous prize winners can be found at

<http://isaacmath.org/awards/>

Candidates for the awards may be nominated especially by ISAAC board members and session organizers, but may also apply by themselves.

Nominations and applications should be sent before **January 15, 2023** to:

Uwe Kähler

ISAAC President

e-mail: ukaehler@ua.pt
